

## Requirements for the ExQISSite Blue and White Quilt

*These are the tools I use and recommend after trying many different items to give perfect results. You may decide to use different items, but I cannot guarantee you will get the same results. Enjoy – Pauline*

Items available for purchase from PQW are underlined below. Simply click the link to find it on our website; we ship worldwide! You can also ask your local quilting store for these items.

[Click here to purchase the QISS Kit with the essential tools for you to get started.](#)

### Material:

- 3m (3.3 yds) Main fabric (for the White sections of the quilt)
- 3m (3.3 yds) Backing fabric (a busy all over print is best, a directional design is not recommended)
- 10 x Fat Quarters (shades of blue or your chosen color palette)
- [2m \(2.19 yds\) Hobbs double sided fusible batting](#) (or a queen size precut bag)

### Tools:

- [PQW Dot To Dot Curves & Grid System](#)
